Message

I am happy to write a message for the Kasturba Nursing College's Annual Report (2021-22). The Nursing College at Sevagram was established in the year 1997 with the intake of 10 students of Post-basic B.Sc. Nursing Course.

Kasturba Nursing College is equipped with good infrastructure and dedicated teaching faculty. The college runs Post-basic B.Sc., B.Sc., and M.Sc. nursing courses in various specialties and has a total strength of 240 students. Kasturba Nursing College, Sevagram, with its teaching standards with emphasis on rural health service participation in National-level professional training programs has earned good reputation countrywide.

It is heartening to know that the Ministry of Health & Family Welfare, Government of India, has recognized the Kasturba Nursing College, Sevagram, as the First 'National Midwifery Training Institute' in the year 2020-21 to impart training to the midwifery educators who in turn train State nursing personnel to improve midwifery services in India. First batch of 30 candidates from Bihar, Madhya Pradesh, Maharashtra, and KHS had undergone six-week training program at KNC.

Also, the National Nodal Centre at Kasturba Nursing College is functional from the year 2016 to train the teachers of ANM and GNM courses to impart six-week Pre-service education in the field of Mother and Child Healthcare. Till date, 256 candidates are trained at this centre.

I am happy to know that the nursing students in addition to their academic training, observes various health related awareness programs to educate the community, and also actively participates in extra-curricular activities.

I convey my best wishes for further progress of the college.

Message

I am happy to write for the message for the Annual Report of the Kasturba Nursing College, Sevagram for the year 2021-22. Covid 19 pandemic affected all of us in the last year 2020, it was a challenging period for all institutions to carry out the routine activities of all institutions. Due to continuous effort of teachers and students we are able to impart theoretical and practical instructions to all students at Kasturba Nursing College. There was a delay in completing the course due to Covid 19. Due to institutional support, efforts from the faculty and co-operation from the students, we were able to overcome all difficulties.

As the pandemic is under control, routine activities have been started in the institution.

Kasturba Nursing College is started Nurse Practitioner Midwifery educator training Programme for 30 learners from different states.

In the year 2021-22 the nursing curriculum was revised and the nomenclature changed from Basic B.Sc Nursing to B.Sc Nursing with semester wise examination.

New nursing hostel is under construction and the students will be able to occupy in the hostel very soon.

I am sure that Kasturba Nursing College can achieve more recognition at National level.

My Best wishes to the Principal, Faculties and students in their endeavors.

(B.S. Garg)
Secretary

Kasturba Health Society's
KASTURBA NURSING COLLEGE,

P.O. Sewagram, Dist. Wardha - 442 102 (Maharashtra) (India)
(Affiliated to Maharashtra University of Health Sciences, Nashik)

From the Desk of the Principal

I am pleased to write about the Kasturba Nursing College for the Annual Report 2021-22. Kasturba Nursing College was set up in the year 1997 with the objectives to offer quality nursing education, patient care and research. Started with the intake of 10 students in Post-basic B.Sc. nursing course, the college has progressed remarkably. Currently, the college conducts Post-Basic nursing, B.Sc nursing, and M.Sc. nursing courses in four specialities - Medical Surgical nursing, Community Health nursing, Obstetric and Gynaecological nursing and Mental Health nursing, and is training 240 students in various courses.

The college is equipped with spacious class rooms with audio-visual aids, all required laboratory facilities, a rich library with good stock of books and journals and a skill laboratory providing an excellent learning environment for the students. The students receive their practical training in the attached Kasturba Hospital which is a multi-specialty hospital having state-of-the art facilities. The students are posted in all required clinical areas as per their level of study to learn and hone their skills in various clinical settings.

Well qualified and dedicated nursing faculty provide quality education and impart practical training to students. The teaching staff of KNC take active part in various seminars, conferences, CNE programs, and publish their papers in various good journals. I express my gratitude to the teaching faculty of Mahatma Gandhi Institute of Medical Sciences, Sevagram, who teach non-nursing subjects to our students helping them to understand and enrich their knowledge in medical field.

The students of KNC render their services in the community at PHC Anji, and Ramnagar, Wardha. They take part in national health programs, awareness regarding tuberculosis control, preventive measures of malaria and dengue, and school health programs etc. Our students take active part in various national and international days, participates in cultural and other co-curricular activities.

The 'National Nodal Centre' at Kasturba Nursing College is imparting Pre-service training to teachers of ANM and GNM in the field of Mother and Child Healthcare from the year 2016 and till date 270 teachers are trained at this Centre. Ministry of Health and Family Welfare, Government of India, has recognised Kasturba Nursing College, Sevagram, as one of the 'National Midwifery Training Institute' to impart training to the Midwife Educators. First batch of 30 candidates from Bihar, Madhya Pradesh, Maharashtra, and KHS had undergone six-week training program at NMTI, KNC.

I sincerely thank the management for its continuous guidance and support for the progress of Kasturba Nursing College. My sincere thanks and appreciation are to the teaching faculty, staff and students who are an integral part in the path of progress of the college.

Together, we continuously strive for excellence in all fronts of nursing education.

Ancy Ramesh

- Prepare budget estimates for the next financial year.

Kasturba Nursing College: An Introduction

It was the dream of Dr. Sushila Nayar to start nursing college in rural area. Kasturba Nursing College Sevagram was established in 1997. The foundation stone was laid by Dr. Shankar Dayal Sharma, Vice President of India on 30-12-1990 and the building was inaugurated by Hon. Former President of India Dr. Shankar Dayal Sharma on 15-2-1993. Post basic B.Sc. nursing course was started in 1997 with an annual intake of 10 students.

History

Kasturba hospital was started in the year 1944 by (Late) Dr. Sushila Nayar and Kasturba nursing school was established in 1973. At that time there was acute shortage of nursing teachers and administrative nursing personnel. There was no nursing college in Vidarbha region. Therefore, Kasturba Health Society decided to set up Kasturba Nursing College at our institution itself.

The enthusiasm and hard work put in by Dr. Sushila Nayar and her dedicated colleagues made it possible to start nursing college admitting the 1st batch of Post Basic B.Sc. Nursing students in 1997 with an annual intake of 10 students per year. Later in 2007 intake capacity was increased to 20 students per year.

This college is 25 years old now. New courses were added to it. In 2008 Basic B.Sc. Nursing course was started with 40 annual intakes and in the year 2011 M.Sc. Nursing was started in four specialities. i.e. Medical surgical nursing, Community health nursing, Obstetric and gynaecological nursing and Mental health nursing with intake of five students in each speciality.

Vision

Kasturba Nursing College aims to be the Centre of academic excellence for high quality nursing education, practice and research.

Mission

The Kasturba Nursing College, Sewagram, today is committed to provide quality nursing services in terms of nursing care, education and research especially to marginalised rural community in order to discharge the social responsibilities.

Philosophy

- Kasturba Nursing College, Sewagram, promotes Gandhi's principles and philosophy.
- The faculty believes that nursing is an integral part of the health care delivery system and shares responsibility of working in collaboration with other allied professions for the attainment of optimum health for all members of the society.
- Provides education that is based on values of caring, and aims to help individuals to attain independence in self-care.
- Prepares graduates to become exemplary citizens by adhering to code of ethics and professional conduct at all times in fulfilling personal, social and professional obligations.
- The Faculty believes in the development of Academic programs in Nursing based on the application of principles of model of Health sciences, including research which can help in the improvement of the quality of Nursing education and practice in India.
- Education and learning is a process of behavioural changes which are brought about by meaningful experiences within the climate of mutual respect and understanding.

Objectives

- Prepare graduate nurses to assume responsibilities as professional, for providing promotive, preventive, curative and rehabilitative services.
- Make graduates to understand health needs and assess the health resources of our country, so that they can innovate and transform the way of delivering high quality services, primarily the health needs within the resources available.
- Prepare nurses who can make independent decisions in nursing situations, protect the rights, facilitate individuals and groups in pursuit of health, function in the hospital, and community and conduct research studies in the areas of nursing practice.
- Develop the qualities in the nurses so that they will effectively and efficiently play the role of teacher, supervisor and manager in a clinical/public health setting.
- Prepare the graduates and postgraduates to assume first level positions in nursing profession, take up responsibilities such as nurse specialist consultants, educators and administrators in various professional settings.

Quality Nursing Education

The institute strives to produce nurses of high clinical competence, professional attitude and ethical behaviour. The core values of the college are based on Gandhian values and principles which are imparted to students.

We, at Kasturba Nursing College, are conscious of the fact that nursing education needs to maintain right balance between high-tech based care and companionate care in all health care settings.

Kasturba Nursing College has well equipped library, laboratories and good skill laboratory, which provide opportunity to students in enhancing their knowledge and refine their skill. Our students are trained to adhere to professional norms which include compassion, empathy, accountability and honesty.

The students and staff of the college adhere to the code of conduct of KHS – wearing khadi, participate in Shramdan and attend all-religion prayer on every Friday, abstinence from non-vegetarian food, alcohol.

Clinical Training

Students of Kasturba Nursing College obtain rich clinical experience in various departments of in the state-of-the art equipped 972 bed Kasturba Hospital. The hospital provides 62 beds in different intensive care units (neonatal, paediatrics, medical, coronary and burn unit) to care critically ill patients. A well-equipped haemodialysis unit is available for patient of renal failure. The Shri Satya Sai accident and emergency unit provide care to patients of trauma. Cardiac catheterization and surgeries are performed in Kasturba Hospital which provide excellent learning experience to students in these areas. Well-equipped Palliative Care unit for terminally ill patients and patients undergoing chemotherapy.

Community Activities

Kasturba Nursing College is committed to serve the community. Students of Kasturba nursing college are posted regularly in urban health centre at Ram Nagar, Wardha and rural community area at Anji PHC for rural experience. Various activities like national health programmes, awareness regarding tuberculosis control, regarding preventive measures for dengue and malaria were carried out in Rural and Urban areas.

In Rural areas at Anji, school health programme was organized on the topic Prevention of Communicable Diseases at Anand Niketan School, Sewagram on 28th August 2021.

Carrier development programme was conducted in Girls high school and junior college at Anji on 12th October 2021 by MSc students.

AIDS Day was observed on 01st December 2021 at Ram Nagar

Plastic Awareness Programme was conducted at Sindhi Meghe, Wardha.

In Rural and Urban area each student assigned 5 families they have to visit these families during their posting. They assessed each family member and prepare need based Nursing care plan and provide nursing care to the families. Students carried out various procedures with bag technique as per the need of the family.

Students are mentored for the following activities during Rural and Urban posting.

1. To conduct Community health Survey
2. To screen population of all age groups for common ailments
3. To provide need based care to individual, family and community at their door step
4. To perform comprehensive family centered care to client such as antenatal, postnatal, new born babies, under five children, school aged children and adolescents.
5. To educate community about right nutrition practice for various age groups in order to address nutrition deficiency.
6. To provide health education for individuals, large and small groups based on their needs.
7. To spread awareness about various common health issues through observation of important International days (e.g. World health day, World no tobacco day, World breast feeding week, Women's day, World mental health day)
8. To perform health assessment/ screening for common health ailments for school children.
9. To participate in National health program like Pulse Polio Program, along with the Government health personnel.
10. To participate in Health camps conducted in rural health center Anji (Immunization) and (Diabetes, Hypertension, Screen for dental and ENT related issues)
11. To maintain family record for each family.
12. To identify clients who are in need of medical care and refer them to Primary Health Centres, Government Hospitals or Private Hospitals.

Blood Donation Camp

Voluntary blood donation camp was organised at Kasturba Nursing College, Sevagram on 07th March 2022. Total 14 people including faculty and students of Kasturba Nursing College donated the blood voluntarily on this day.
