Message

I am happy that in our Kasturba Nursing college we are architecting Nurses in such a way that they are on the path indicated by Gandhiji who acted as a Nurse to his own wife, by delivering his 3rd Son. He treated Leprosy patient Shri Parchure Shastri and took care of him which inspired many Nurses to prove the point that leprosy is curable.

This is the 2nd consecutive year that we are releasing the 2nd Annual Report for the year 2018-2019. As always we have been successful in enhancing our offerings for the future nurses. We are proud of the growing recognition of Kasturba Nursing College. We have released the 1st edition of students Magazine called 'PARISTI' with all the inputs about the achievements of our students. We acknowledge the hard work, long hours and emotional stress that are the part of the life of every Nurse.

We are passing through a very difficult time of COVID-19 Pandemic which is a test to all health care providers especially for nurses, since nurses play a very important role in day to day patients management, patients welfare, their safety as well as guidance and counseling to the patients.

I have learnt that the Kasturba Nursing School has been recognized as a Nodal Center for 18 Months Midwifery Training by the Government of India. There is a big responsibility of the faculty of the Kasturba Nursing College to participate in this unique national initiative.

I hope that the staff and students of Kasturba Nursing College are contributing to the patients care in the COVID care facilities of the Kasturba Hospital. It will certainly provide them a unique opportunity to learn and contribute.

I look forward the more achievements of Katurba Nursing College in the coming years and wish them all the best.

Dhuru S. Mehta

MESSAGE

It is a privilege and also gives me immense pleasure to write about the Kasturba Nursing College, Sevagram, for its Annual Report for the year 2018-19. Kasturba Health Society has started the Kasturba Nursing College in the year 1997 with the objectives to offer quality nursing education, patient care and research. Since its inception, the college has crossed many milestones and has earned good reputation nationally in the field of nursing education. Currently, the college conducts Post-Basic nursing, B.Sc. nursing, and M.Sc. nursing courses in four specialities viz. Medical Surgical nursing, Community Health nursing, Obstetric and Gynaecological nursing and Mental Health nursing. The college is recognized by the Maharashtra Nursing Council, Indian Nursing Council, and is affiliated to the Maharashtra University of Health Sciences, Nashik.

The college has well equipped lecture halls spacious and good library enriched with number of nursing and medical books, national and international journals and access to e-journals. The college is equipped with skill laboratory, fundamental laboratory, foundation laboratory, mother and child health laboratory, community health laboratory and nutrition laboratory providing hands on training to students. Well qualified and dedicated teaching faculty of the college provide quality education and impart practical training to students. The students receive their practical training and hone their skills in the Kasturba Hospital, a 972 bed multi-specialty hospital with state-of-the art facilities.

The students of the nursing college are imparted excellent theoretical and practical training in nursing utilizing modern teaching methodologies so that they become good teachers and quality nursing care providers. The college being rooted in the Gandhian Philosophy, the students learn Gandhian values helping them to mould their lives in every sphere of their career.

The Kasturba Nursing College is recognised by the Ministry of Health and Family Welfare, Government of India, as a National Nodal Centre in the year 2016 to impart Pre-service training to teachers of ANM and GNM in the field of Mother and Child Healthcare. Government of India has proposed Kasturba Nursing College, Sevagram, as one of the 'National Midwifery Training Centre' and assessment of its feasibility is in progress.

My best wishes to the teaching faculty, staff and students of Kasturba Nursing College for all success in their endeavours to achieve excellence in nursing education.

(B.S. Garg)
Secretary

From the Principal's Desk

It is a privilege and gives me great pleasure to briefly write about the Kasturba Nursing College for the Annual Report 2018-19. Kasturba Nursing College was set up in the year 1997 with the objectives to offer quality nursing education, patient care and research. Since its inception, the college has crossed many milestones and today it has earned a good reputation nationally in the field of nursing education. Currently, the college conducts Post-Basic nursing, B.Sc. nursing, and M.Sc. nursing courses in four specialities viz. Medical Surgical nursing, Community Health nursing, Obstetric and Gynaecological nursing and Mental Health Nursing and is imparting training to 240 students in various courses.

The college is equipped with spacious class rooms with audio-visual aids, all required laboratory facilities, a rich library with good stock of books and journals and a skill laboratory providing an excellent learning environment for the students. The students receive their practical training in the attached Kasturba Hospital, a 972 bed multi-specialty hospital with state-of-the art facilities. The students are posted in all required clinical areas as per their level of study to learn and hone their skills in various clinical settings.

Well qualified and dedicated nursing faculty provide quality education and impart practical training to students. I express my gratitude to the teaching faculty of Mahatma Gandhi Institute of Medical Sciences, Sevagram, who teach non-nursing subjects to our students helping them to understand and enrich their knowledge in medical field.

The first issue of students magazine 'PARISHTI' was brought up by the students excellently in this year, and they participate in various activities and brought laurels to the college. Nine students received scholarship from the Lila Poonawalla Foundation. The students learn and render their services in the community at Anji and Ramnagar. Students takes active part in various national and international days, participates in cultural activities and health education to patients. The students of Kasturba Nursing College were participated in the Taradevi intercollegiate-level debate conducted at MGIMS in this year.

The Kasturba Nursing College is imparting Pre-service training to teachers of ANM and GNM in the field of Mother and Child Healthcare. Ministry of Health and Family Welfare, Government of India, has proposed Kasturba Nursing College, Sevagram, as one of the 'National Midwifery Training Centre' and assessment of its feasibility is on.

I sincerely thank the management for its continuous guidance and support for the progress of Kasturba Nursing College. I express my gratitude and appreciation to the teaching faculty, staff and students who are an integral part in the path of progress of the college. Together, we continuously strive for excellence in all fronts of nursing education.

Mrs.Ancy Ramesh,
Principal

- Make proposals for growth and development of the departments.
- Create new posts, and consider proposals for buying new equipment, expansion programmes and renovation / new construction.
- Prepare budget estimates for the next financial year.

Introduction

It was the dream of Dr. Sushila Nayar to start nursing college in rural area. Kasturba Nursing College Sevagram was established in 1997. The foundation stone was laid by Dr. Shankar Dayal Sharma, vice president of India on 30-12-1990 and the building was inaugurated by Hon. Former president of India Dr. Shankar Dayal Sharma on 15-2-1993. Post basic B.Sc. nursing course was started in 1997 with an annual intake of 10 students.

History

Kasturba hospital was started in the year 1944 by (Late) Dr. Sushila Nayar and Kasturba nursing school was established in 1973. At that time there was acute shortage of nursing teachers and administrative nursing personnel. There was no nursing college in Vidarbha region. Therefore, Kasturba Health Society decided to set up Kasturba Nursing College at our institution itself.

The enthusiasm and hard work put in by Dr. Sushila Nayar and her dedicated colleagues made it possible to start nursing college admitting the 1st batch of Post Basic B.Sc. Nursing students in 1997 with an annual intake of 10 students per year. Later in 2007 intake capacity increased to 20 students per year.

This college is 23 years old now. New courses were added to it. In 2008 Basic B.Sc. Nursing course was started with 40 annual intake and in the year 2011 M.Sc. Nursing was started in four specialities. i.e. Medical surgical nursing, Community health nursing, Obstetric and gynaecological nursing and Mental health nursing with intake of five students in each speciality.

Philosophy

- Kasturba Nursing College, Sevagram, promotes Gandhian principles and philosophy.
- The faculty believes that nursing is an integral part of the health care delivery system and shares responsibility of working in collaboration with other allied professions for the attainment of optimum health for all members of the society.
- Provides education that is based on values of caring, and aims to help individuals to attain independence in self-care.
- Prepares graduates to become exemplary citizens by adhering to code of ethics and professional conduct at all times in fulfilling personal, social and professional obligations.

- The Faculty believes in the development of Academic programs in Nursing based on the application of principles of model of Health sciences, including research which can help in the improvement of the quality of Nursing education and practice in India.
- Education and learning is a process of behavioural changes which are brought about by meaningful experiences within the climate of mutual respect and understanding.

Vision

Kasturba Nursing College aims to be the Center of academic excellence for high quality nursing education, practice and research.

Mission

The Kasturba Nursing College, Sevagram, today is committed to provide quality nursing services in terms of nursing care, education and research especially to marginalised rural community in order to discharge our social responsibilities.

Objectives

- Prepare graduate nurses to assume responsibilities as professional, for providing promotive, preventive, curative and rehabilitative services.
- Make graduates to understand health needs and assess the health resources of our country, so that they can innovate and transform the way of delivering high quality services, primarily the health needs within the resources available.
- Prepare nurses who can make independent decisions in nursing situations, protect the rights, facilitate individuals and groups in pursuit of health, function in the hospital, community and conduct research studies in the areas of nursing practice.
- Develop the qualities in the nurses so that they will effectively and efficiently play the role of teacher, supervisor and manager in a clinical/public health setting.
- Prepare the graduates and postgraduates to assume first level positions in nursing profession, take up responsibilities such as nurse specialist consultants, educators and administrators in various professional settings.

Quality Nursing Education

The institute strives to produce nurses of high clinical competence, professional attitude and ethical behaviour. The core values of the college are based on Gandhian values and principles which are imparted to students.

We, at Kasturba Nursing College, are conscious of the fact that nursing education needs to maintain right balance between high-tech based care and companionate care in all health care settings.

Kasturba Nursing College has well equipped library, laboratories and good skill laboratory, which provide opportunity to students in enhancing their knowledge and refine their skill. Our students are trained to adhere to professional norms which include compassion, empathy, accountability and honesty.

The students and staff of the college adhere to the code of conduct of KHS – wearing khadi, participate in Shramdan and attend all-religion prayer on every Friday , abstinence from non-vegetarian food, alcohol.

Clinical Training

The students of KNC obtain rich clinical experience in various departments of in the state-of-the art equipped 972 bed Kasturba Hospital. The hospital provides 62 beds in different intensive care units (neonatal, paediatrics, medical, coronary and burn unit) to care critically ill patients. A well-equipped haemodialysis unit is available for patient of renal failure. The Shri Satya Sai accident and emergency unit provide care to patients of trauma. Cardiac catheterization and heart surgeries are performed in Kasturba Hospital which provide excellent learning experience to students in these areas.

Community Activities

Kasturba Nursing College is committed to serve the community. Students of Kasturba nursing college are posted regularly in rural community area at Anji PHC for rural experience. For urban experience they are posted in Urban Health Centre, Ramnagar Wardha. Various activities are carried out in Rural and Urban areas.

In Rural areas at Anji school health programme was organized in Z.P. Girls school and boys school, the students of Kasturba Nursing College carried out the physical assessment of the students they imparted Health education on various topic like harmful effect of tobacco chewing and smoking, personal hygiene and menstrual hygiene etc.

Community survey was conducted by the M.sc Nursing and P.B.B.Sc. Nursing students In Anji village .They surveyed approximately 225 families.

In P.H.C Anji they were posted in different areas like injection room, pharmacy laboratories dressing room .They rendered their services along with the staff nurses and ANM's.

In Rural and Urban area each students assigned 5 families they have to visit these families during their posting .They assessed each family member and prepare Nursing diagnosis and plan nursing care according the priority basis .Students carried out various procedure with bag technique as per the need of the family .

Observation of National and International days to create awareness among the community.

- Breast feeding week from 1-8-2018 to 7-8-2018 celebrated at urban center Ram Nagar Wardha by M.Sc. students, poster were displayed and skit and role play organized.
- National Nutrition week celebrated from 1-9-2018 to 7-9-2018 at Anji, students organized role play and poster were displayed.
- Swacchata Pakhawada was observed from 1-9-2018 to 15-9-2018 at Urban center awareness rally was organized and posters were displayed.
- World Diabetes day was observed on 14-11-2018 at Anji village health education was imparted to the community people.
- AIDS week was observed from 1-12-2018 to 7-12-2018 at Urban and Rural area students organized awareness rally in Anji and Ramnagar Wardha skit and Role play organized poster displayed.
- International Women's day celebrated on 8-3-2019 at Urban Health center Ram Nagar .speech was given by Mr.Vinay Gawali .Students performed Role play.
- World TB day was celebrated on date 24 -3-2019 at Anji P.H.C .poster displayed and health education imparted by students

To summarise, the students of Kasturba Nursing College are getting vast experience and knowledge in both Rural and Urban field.

Representation of Kasturba Nursing College, Sevagram, at the ‘Women Deliver Conference’, Vancouver, Canada.

Government of India has taken a landmark policy decision to rollout midwifery services in the country in order to improve the quality of care and ensure respectful care to pregnant women and new born. Skilled and motivated nurse midwives play a key role in achieving positive health outcomes in mother and child healthcare.

As a part of the Indian delegation, with the support of Jhpiego and Bill and Melinda Gates Foundation Mrs. Ancy Ramesh, Principal, Kasturba Nursing College, was nominated by the Ministry of Health and Family Welfare, Government of India, New Delhi, to attend the ‘Women Deliver Conference, Global Symposia for Midwifery and visit to the University of British Colombia to observe robust midwifery education and practice in Canada, held during June 1-8, 2019 .

She attended the plenary sessions and side events in women deliver conference from 3-6th June 2019, attended the expert meeting on Indian Midwifery work force development on June 5th and learning visit to university of British Colombia on June 7-8, 2019.
