### **MESSAGE**

The Kasturba Nursing College offers four years Basic B.Sc. Nursing graduation course, two years Post Basic B.Sc. Nursing course and two years post-graduation course (M.Sc. Nursing) with four clinical specialities including Medical Surgical Nursing, Community Health Nursing, Obstetrics & Gynaecological Nursing and Mental Health Nursing. The students are guided by dedicated faculty who possess rich experience in teaching and research.

I am happy to note that Kasturba Nursing College is following the ideas of integrated learning and giving opportunities to the students to develop their personality and shaping hidden talent of the students various curricular and extracurricular activities which is useful in contributing to their professional and social life.

The students of Kasturba Nursing College have good facilities for practical experience in Kasturba Hospital which is located in the campus. The caring teaching faculty and friendly academic environment make the college different and respectable institution.

The college has modest infrastructure for providing and developing good clinical skills among the students. Full time experienced teaching faculty works with passion and devotion to inculcate the moral and ethical values among students.

The faculty is also given various opportunities for updating themselves and participating in evidence based research activities. I take this opportunity to congratulate faculty for the zeal and commitment in providing quality and value based education.

I am confident that college will strike for excellence and will be the guiding light for all their future endeavour.

**From the Desk of the Principal**

It is a privilege and gives me great pleasure to write about the Kasturba Nursing College for the Annual Report 2019 - 2020. Kasturba Nursing College was set up in the year 1997 with the objectives to offer high quality nursing education, patient care and research. Since its inception, the college has crossed many milestones and today it has earned good reputation nationally in the field of nursing education. Currently, the college conducts Post-Basic nursing, B.Sc nursing, and M.Sc. nursing courses in four specialities viz. Medical Surgical nursing, Community Health nursing, Obstetric and Gynaecological nursing and Mental Health nursing and is imparting training to 240 students in various courses.

The college is equipped with spacious class rooms with audio-visual aids, all required laboratory facilities, a rich library with good stack of books and journals and a skill laboratory providing an excellent learning environment for the students. The students receive their practical training in the attached state-of-the art multi-specialty Kasturba Hospital. Students are posted in all required clinical areas as per their level of study to learn and hone their skills in various clinical settings.

The dedicated nursing teaching faculty provide quality education and impart practical training to students. I express my gratitude to the teaching faculty of Mahatma Gandhi Institute of Medical Sciences, Sevagram, who teach non-nursing subjects to our students helping them to understand and enrich their knowledge in medical field.

The students of KNC participate in various activities and bring laurels to the college. Nine students received scholarship from the Leela Poona Foundation, The students learn and render their services in the community at Anji and Ramnagar. Student Welfare Association takes active part in various national and international days, participates in cultural activities and health education to patients.

The Kasturba Nursing College is imparting Pre-service training to teachers of ANM and GNM in the field of Mother and Child Healthcare. Ministry of Health and Family Welfare, Government of India, has recognised Kasturba Nursing College, Sevagram, as one of the 'National Midwifery Training Centre'.

I sincerely thank the management for its continuous encouragement and support for the progress of Kasturba Nursing College. I express my sincere thanks to the teaching faculty, staff and students who are an integral part in the path of progress of the college. Together, we continuously strive for the excellence in all areas of nursing education.

# **Kasturba Nursing College : An Introduction**

---

It was the dream of Dr. Sushila Nayar to start nursing college in rural area. Kasturba Nursing College Sevagram was established in 1997. The foundation stone was laid by Dr. Shankar Dayal Sharma, Vice President of India on 30-12-1990 and the building was inaugurated by Hon. Former President of India Dr. Shankar Dayal Sharma on 15-2-1993. Post basic B.Sc. nursing course was started in 1997 with an annual intake of 10 students.

## **History**

Kasturba hospital was started in the year 1944 by (Late) Dr. Sushila Nayar and Kasturba nursing school was established in 1973. At that time there was acute shortage of nursing teachers and administrative nursing personnel. There was no nursing college in Vidarbha region. Therefore, Kasturba Health Society decided to set up Kasturba Nursing College at our institution itself.

The enthusiasm and hard work put in by Dr. Sushila Nayar and her dedicated colleagues made it possible to start nursing college admitting the 1st batch of Post Basic B.Sc. Nursing students in 1997 with an annual intake of 10 students per year. Later in 2007 intake capacity was increased to 20 students per year.

This college is 24 years old now. New courses were added to it. In 2008 Basic B.Sc. Nursing course was started with 40 annual intake and in the year 2011 M.Sc. Nursing was started in four specialities. i.e. Medical surgical nursing, Community health nursing, Obstetric and gynaecological nursing and Mental health nursing with intake of five students in each speciality.

## **Vision**

Kasturba Nursing College aims to be the Center of academic excellence for high quality nursing education, practice and research.

## **Mission**

The Kasturba Nursing College, Sevagram, today is committed to provide quality nursing services in terms of nursing care, education and research especially to marginalised rural community in order to discharge the social responsibilities.

## **Philosophy**

- Kasturba Nursing College, Sevagram, promotes Gandhian principles and philosophy.
- The faculty believes that nursing is an integral part of the health care delivery system and shares responsibility of working in collaboration with other allied professions for the attainment of optimum health for all members of the society.
- Provides education that is based on values of caring, and aims to help individuals to attain independence in self-care.
- Prepares graduates to become exemplary citizens by adhering to code of ethics and professional conduct at all times in fulfilling personal, social and professional obligations.
- The Faculty believes in the development of Academic programs in Nursing based on the application of principles of model of Health sciences, including research which can help in the improvement of the quality of Nursing education and practice in India.
- Education and learning is a process of behavioural changes which are brought about by meaningful experiences within the climate of mutual respect and understanding.

## **Objectives**

- Prepare graduate nurses to assume responsibilities as professional, for providing promotive, preventive, curative and rehabilitative services.
- Make graduates to understand health needs and assess the health resources of our country, so that they can innovate and transform the way of delivering high quality services, primarily the health needs within the resources available.
- Prepare nurses who can make independent decisions in nursing situations, protect the rights, facilitate individuals and groups in pursuit of health, function in the hospital, community and conduct research studies in the areas of nursing practice.
- Develop the qualities in the nurses so that they will effectively and efficiently play the role of teacher, supervisor and manager in a clinical/public health setting.
- Prepare the graduates and postgraduates to assume first level positions in nursing profession, take up responsibilities such as nurse specialist consultants, educators and administrators in various professional settings.

## **Quality Nursing Education**

The institute strives to produce nurses of high clinical competence, professional attitude and ethical behaviour. The core values of the college are based on Gandhian values and principles which are imparted to students.

We, at Kasturba Nursing College, are conscious of the fact that nursing education needs to maintain right balance between high-tech based care and companionate care in all health care settings.

Kasturba Nursing College has well equipped library, laboratories and good skill laboratory, which provide opportunity to students in enhancing their knowledge and refine their skill. Our students are trained to adhere to professional norms which include compassion, empathy, accountability and honesty.

The students and staff of the college adhere to the code of conduct of KHS – wearing khadi, participate in Shramdan and attend all-religion prayer on every Friday, abstinence from non-vegetarian food, alcohol.

## **Clinical Training**

The students of KNC obtain rich clinical experience in various departments of in the state-of-the art equipped 972 bed Kasturba Hospital. The hospital provides 62 beds in different intensive care units (neonatal, paediatrics, medical, coronary and burn unit) to care critically ill patients. A well-equipped haemodialysis unit is available for patient of renal failure. The Shri Satya Sai accident and emergency unit provide care to patients of trauma. Cardiac catheterization and heart surgeries are performed in Kasturba Hospital which provide excellent learning experience to students in these areas.

## **Community Activities**

Students of Kasturba nursing college are posted regularly in rural community area at Anji PHC for rural experience. For urban experience they are posted in Urban Health Centre, Ramnagar Wardha. Various activities were carried out in Rural and Urban areas.

Students of Kasturba Nursing College organized school health program at Zila Parishad girls school and boys school. They conducted physical assessment of the students, they imparted health education in various topics such as harmful effect of tobacco chewing and smoking, personal hygiene and menstrual hygiene, etc. Community survey was conducted by M.sc

Nursing; P.B.B.Sc. Nursing and Final Basic BSc Nursing students in Ramnagar, Wardha. They surveyed approximately 600 families and identified the needs of the family.

In P.H.C Anji students were posted in different areas like injection room, pharmacy laboratories dressing room .They rendered their services along with the staff nurses and ANM's.

During the community posting each students assigned 5 families they have to visit these families during their posting .They assessed each family member and prepare Nursing diagnosis and plan nursing care according the need basis. Students carried out various homecare procedure with bag technique as per the need of the family.
